Hands On Con't

BASF

TERMIDOR DUST

With Termidor Dust one of the latest tools available. BASF will give you a hands on dusting technique display.

BAYER

ANT BAIT PLACEMENT

A display of where to place baits outside and in

PCT

SMALL FLY MANAGEMENT

Kevin Girard will demonstrate the use of the Invade Bio Foam and the rest of the InVade product line.

WEBCOT

Measuring the UV out put of lights. Use a simple tool to measure UV output of Fly Control Lights. A great way to get you customers to purchase new globes. Also demonstration of where to place light traps for best results

Trade Display List:

PCT, BELL, FMC, BASF, BAYER, TEMISOFT, INLINE, PSSST, RAPID SOLUTIONS, SILVAN, PROTECTOR SAFETY, DOW, ENTOSOL, SAE, B+G EQUIPMENT, SYNGENTA, TERMATRAC, WEBCOT

BRIAN COLE

16 CPD Points

TERMITES IN CONSTRUCTION PART 4

Understand the modern construction methods in commercial & industrial buildings. Show the importance of understanding commercial and industrial building techniques and its link to successful application of termite treatments.

This is part 4 and can be seen alone or will fill in the second last instalment of the Termite in Construction from Brian

“NOT TO BE MISSED”

BELL

RECENT HACCP ACCREDITATION OF BELL AND LATEST IN RODENT ATTRACTANTS

Bell will give you an outline of why using the only HACCP accredited stations and hardware will work for you. Also outline the latest in rodent attractants **“PROVOKE”**.

HANDS ON PRESENTATION

16 CPD Points

The best method of learning is hands on. So we have designed an interactive 2 hours to show you the latest from suppliers and the industry specialists. (Presented in 15 Min sections)

PUMPS – TAKE A LOOK INSIDE

See internals of pumps while they work. Look inside the pump while it actually runs. Trouble shooting advice and maintenance tips.

FOAMERS

See foamers in action from small hand held to larger units for both Termite work and other applications

FMC

Information and advise on Turf Pests

TERMATRAC & INLINE

Have a go of the latest version of termatrac, thermal cameras & borescopes.
